

Holds- What to Know!

TR Hold (Transcript Request Hold)

Your current balance is somewhere between \$0.01 and \$499.99. This balance will still allow you to register for courses, however you will not be able to access your unofficial transcripts or even order official transcripts

AR Hold (Accounts Receivable Hold)

Your current balance exceeds \$500, and you will not be able to register until your balance is below this amount. Common reasons this happens include not having submitted a copy of your tribal ID or CDIB information when you submitted your application, or not completing verification for financial aid.

UM Hold (Undeliverable Mail Hold)

Your current mailing address is out of date. This must be updated ASAP in order to continue to receive mail, including your financial aid checks from the college. You can update your address on your JICS account by submitting the “Contact Information Update Request” located under your Academics Tab on JICS.
